Section 710. Mobile homes and mobile home land developments

A. Statement of Special Intent

Mobile homes and mobile home land developments are recognized as legitimate single family detached residential land uses which offer the potential for low to moderate cost housing opportunity. This Section seeks to provide for these uses while protecting surrounding neighborhoods from incompatible land uses that may result from poor design, inappropriate exterior appearance, overcrowding, and unsafe conditions. It is believed that the provision of economical housing in a form that is compatible with other nearby housing types is in the best interest of the mobile home resident, the residents of nearby conventional housing units, and the Township as a whole.

B. Conditional Use

The placement of individual mobile homes on mobile home lots or in a mobile home land development shall be allowed only in those zoning districts where they are specifically authorized as a conditional use by the Board of Commissioners, and in no other districts.

The following procedures shall apply to all applications for this conditional use:

1. The applicant shall file a written application with the appropriate Township official together with such fees as shall be established by ordinance for conditional or special exception use hearings. The application shall be accompanied by a sketch development plan and shall contain sufficient information to enable the Township to evaluate such factors as:
  - a. Density.
  - b. Traffic impact and safe means of ingress and egress.
  - c. Impact on the environment.
  - d. Compatibility of the design of the development and the mobile homes to be located therein with the surrounding neighborhood as provided for herein.
  - e. Those additional requirements provided for by Section 706.
  - f. Such other information as shall be reasonably requested of the applicant by the Township.
2. The application shall be referred to the Haverford Township and to the Delaware County Planning Commissions, each of which shall make a recommendation to the Board of Commissioners as to the suitability of the proposed use with respect to the land upon which it is proposed, the surrounding neighborhood, and the Township's Comprehensive Plan.
3. The Board of Commissioners shall conduct a hearing, pursuant to public notice, to provide the applicant an opportunity to explain his proposal, to receive testimony from all interested parties and from the general public, to consider the recommendations of the Township and County Planning Commissions, and to allow the Board of Commissioners to obtain such additional evidence as they shall deem necessary. Said hearing shall commence within forty-five (45) days of the date the filing of an application and payment of appropriate fees for consideration of the conditional use.
4. The Board of Commissioners shall consider such factors as safety, environmental impact, suitability of the proposed use to the surrounding neighborhood, compliance with the requirements of this Ordinance, overall design, and the standards contained in Section 1401.1.B, provided however that all references to the Zoning Hearing Board shall be

interpreted to apply to the Board of Commissioners and all references to special exceptions shall be interpreted to apply to conditional uses.

5. The Board of Commissioners shall render a decision on the application within thirty (30) days from the conclusion of the hearing. Said decision shall be provided to the applicant in writing in a timely fashion.
6. No application for subdivision or land development approval shall be permitted to be filed until the application for a conditional use shall have been approved.

### C. Area and Bulk Regulations

  - d. All mobile homes shall be placed upon a permanent foundation. The foundation shall be of a material and appearance similar to that commonly used for residences constructed on site. Said foundation shall be of sufficient size and opaqueness that it shall serve to completely screen the undercarriage of the mobile home.
  - e. No mobile home shall have fenestration or other features, nor use colors or color combinations, that would be incompatible in a general residential neighborhood of site-built housing.

- ii. Tensioning devices, such as turnbuckles or yoke-type fasteners shall be ended with clevis, forged or welded eyes.
  - iii. Steel strapping, cable, chain or other material approved by the HUD Code may be used to tie the mobile home to the ground anchor. All ties shall be drawn tight with turnbuckles or similar adjustable tensioning devices.
- b. The utility connections shall include electricity, natural gas (when available), public water, and sanitary sewage. Connections shall be underground and of a form acceptable to the Township and the utility generally responsible for the provision of service in the area of the proposed site.
3. Every mobile home shall contain a minimum of 600 square feet of habitable floor area, as defined by this ordinance.
  4. An area equal to 10% of the gross site area or 400 square feet per dwelling unit, whichever is greater, shall be set aside for common open space and not more than 25% of this area shall include flood plain or areas with slopes exceeding 15%. This land shall be used for the active and passive recreational needs of the residents of the mobile home development, provided that the requirement may be waved if the minimum area required for each mobile home lot is increased by 10%.
  5. All exterior areas not devoted to structures, patios, streets, sidewalks, parking spaces, and similar types of coverage shall be landscaped with grass, shrubs, trees or similar vegetative ground cover. Each mobile home lot shall be provided with at least one shade tree of a species acceptable to the Shade Tree Commission and said shade tree shall have a minimum caliper of 3 inches at the time of planting.

(BOND TEXT - BACK OF BOND)

This Bond is one of a duly authorized issue of General Obligation Bonds, Series of 1985, of the Township in the aggregate principal amount of \$600,000 issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof, all of like date and tenor, except as to dates of maturity, rates of interest and provisions for redemption and all issued in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, Act 52 of 1978 approved April 28, 1978, as amended (the Act), and pursuant to an Ordinance of the Board of Commissioners of the Township duly adopted on February 25, 1985 (the Ordinance). The Township will issue the Bonds in order to provide a portion of the funds needed to undertake a project consisting of the design, construction and/or acquisition of capital improvements to the Township's storm and sanitary sewer system (the Project).

The Act provides that this Bond, its transfer and the income therefrom, including any profits made on the sale thereof, shall at all times be free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but this exemption shall not extend to gift, estate, succession or inheritance taxes or to any other taxes not levied directly on this Bond, the transfer thereof, the income therefrom or the realization of profit on the sale thereof.

The Bonds maturing on and after April 1, 1989 shall be subject to redemption prior to maturity, at the option of the Township, as a whole on April 1, 1988 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on April 1, 1988 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

For the purpose of selection of Bonds for redemption, any Bond of a denomination greater than \$5,000 shall be treated as representing such number of separate Bonds, each of the denomination of \$5,000, as is obtained by dividing the actual principal amount of such Bond by \$5,000. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent, and the registered owner of such Bond shall receive, without service charge, a new Bond or Bonds, of any authorized denomination as requested by such registered owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

The Paying Agent shall give notice of any redemption by first-class mail, postage prepaid, mailed not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds to be redeemed at his registered address as it appears in the bond register. Such notice shall also be mailed to Credit Markets, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. Such Notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the principal corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the Bonds. Failure to mail any notice or defect in the mailed notice or in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bond.

With respect to any optional redemption of the Bonds, if at the time of mailing such notice of redemption, the Township shall not have deposited with the Paying Agent moneys sufficient

to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Bonds are transferable by the owners thereof, subject to payment of any required tax, fee or other governmental charge, upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent. The Paying Agent shall not be required: (i) to issue or transfer any Bond during a period beginning with the close of business on the Record Date next preceding any interest payment date and ending at the close of business on the interest payment date; (ii) to issue, transfer or exchange any of the Bonds during a period beginning at the close of business on the fifteenth (15th) day next preceding the day of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given; or (iii) to transfer or exchange any Bond selected for redemption in whole or in part.

The Township and the Paying Agent may treat the person in whose name this Bond is registered on the bond register maintained by the Paying Agent as the absolute owner of this Bond for all purposes and neither the Township nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based hereon, against any member, officer or employee, past, present or future, of the Township or of any successor body, as such, either directly or through the Township or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the execution and issuance of this Bond.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township, is within every debt and other limit prescribed by the Constitution

and the statutes of the Commonwealth of Pennsylvania; that the Township has established a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable; and that for the prompt and full payment of all obligations of this Bond, the full faith, credit and taxing power of the Township are hereby irrevocably pledged.

This Bond shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the Paying Agent, by execution of the certificate endorsed hereon.

The principal of the Bonds shall be payable upon presentation and surrender thereof in lawful money of the United States of America at the principal corporate trust office of Meridian Trust Company, Reading, Pennsylvania which is hereby appointed paying agent and sinking fund depository (the "Paying Agent") for the Bonds. Interest on the Bonds will be paid on each Interest Payment Date by check or draft mailed to the persons in whose names the Bonds are registered at the address appearing thereon at the close of business on the last business day of the calendar month next preceding such Interest Payment Date.

Section 9. Redemption of Bonds. The Bonds maturing on and after April 1, 1989 shall be subject to redemption prior to maturity, at the option of the Township, as a whole on April 1, 1988 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on April 1, 1988 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

Any such redemption shall be upon not less than thirty (30) days nor more than sixty (60) days prior written notice sent by registered mail to the registered owners of the Bonds. Such notice shall also be mailed to Credit Markets, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. On the date designated for redemption, notice having been sent as aforesaid, and money for payment of the principal and accrued interest being held by the Paying Agent and Sinking Fund Depository, as paying agent, interest on the Bonds so called for redemption shall cease to accrue, the bonds so called for redemption shall cease to be entitled to any benefit or security under the Ordinance authorizing issuance of the Bonds, and the registered owners of the Bonds so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

Section 10. Private Sale of Bonds. The Bonds shall be sold at private sale by invitation as hereinafter set forth in Section 13.

Section 11. Creation of and Deposits in Sinking Fund. The Township covenants that it shall hereafter maintain a sinking fund (the "Sinking Fund") for the Bonds to be held by the Paying Agent (or such substitute or successor Paying Agent which shall hereafter be appointed in accordance with the provisions of the Act) in the name of the Township, but subject to withdrawal only by the Paying Agent.

The Township covenants and agrees to deposit in the Sinking Fund such amounts as at the time shall be sufficient to pay the principal of and interest on the Bonds as they become due.

Pending application to the purpose for which the Sinking Fund is established, the President of the Board of Commissioners or the Township Manager or the Director of Finance of the Township is hereby authorized and directed to cause the moneys therein to be invested or deposited and insured or secured as permitted and required by Section 1004 of the Act. All income received on such deposits or investments during each applicable period shall be added to the Sinking Fund and shall be credited against the deposit next required to be made in the Sinking Fund.

The Paying Agent is hereby authorized and directed to pay from the Sinking Fund the principal of and interest on the Bonds as the same become due and payable in accordance with the terms thereof and the Township hereby covenants that such moneys, to the extent required, will be applied to such purpose.

All moneys deposited in the Sinking Fund for the payment of the Bonds which have not been claimed by the registered owners thereof after two years from the date when payment is due, except where such moneys are held for the payment of outstanding checks, drafts or other instruments of the Paying Agent, shall be returned to the Township. Nothing contained herein shall relieve the Township of its liability to the registered owners of the unrepresented Bonds.

Section 12. No Taxes Assumed. The Township shall not assume the payment of any tax or taxes in consideration of the purchase of the Bonds.

Section 13. Award and Sale of Bonds. It is hereby determined that an underwriting syndicate headed by \_\_\_\_\_ and including \_\_\_\_\_ (the "Bond Purchasers") is the highest responsible bidder for the Bonds, that is, the one who has complied with the official Invitation to Bid and offered to purchase the Bonds at the lowest net interest cost to the Township. The Bonds are hereby awarded and sold at invited private sale to the Bond Purchasers at a price and in accordance with the terms and conditions contained in the

proposal of said firms presented at this meeting, which proposal is hereby accepted. A copy of said proposal shall be attached to this Resolution and lodged with the official minutes of this meeting and is hereby incorporated herein by reference. The Secretary of the Township is hereby authorized and directed to notify the Bond Purchasers of the acceptance of their bid and to return the good faith deposits of all unsuccessful bidders.

The proper officers of the Township are hereby authorized to invest or deposit at interest the good faith check of the Bond Purchasers. The proceeds of such check shall be credited against the purchase price payable by the Bond Purchasers at the time of delivery of the Bonds. All interest earned on the good faith deposit shall be retained by the Township and deposited in its general fund or used otherwise as the Board of Commissioners shall determine.

Section 14. Contract with Paying Agent. The proper officers of the Township are authorized to contract with the Paying Agent in connection with the performance of duties as paying agent and sinking fund depository on usual and customary terms, including an agreement on the part of the Paying Agent to observe and comply with the provisions of this Ordinance and of the Act.

Section 15. No Arbitrage Covenant. The Township covenants with the owners of the Bonds that no part of the proceeds of the Bonds shall at any time be used directly or indirectly to acquire securities or obligations the acquisition of which would cause any of the Bonds to be "arbitrage bonds" as defined in Section 103(c) of the Internal Revenue Code of 1954, as amended and supplemented, or under any similar statutory provision or any rule or regulation promulgated thereunder with the effect that interest on the Bonds is no longer exempt from federal income taxes.

Section 16. Execution and Authentication of Bonds. As provided in Section 4, the Bonds shall be executed by the President or the Vice President of the Board of Commissioners of the Township and the Secretary or Assistant Secretary of the Township and each such execution shall be by manual or facsimile signature. The Bonds shall be authenticated by the manual signature of an authorized officer of the Paying Agent, which shall also certify that the approving opinion of Bond Counsel, which shall be attached to each Bond, is an accurate reproduction of the approving opinion delivered at the closing for the Bonds.

Section 17. Application of Bond Proceeds. Upon receipt of the purchase price for the Bonds, including interest thereon accrued to the date of delivery, if any, the proper officers of the Township shall deposit the same in a separate bank account of

the Township to be applied to pay the costs of the Project as provided in this Ordinance.

Section 18. Officers Authorized to Act. For the purpose of expediting the closing and the issuance and delivery of the Bonds, or in the event that the President of the Board of Commissioners or the Secretary of the Township shall be absent or otherwise unavailable for the purpose of executing documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Ordinance, the Vice President of the Board of Commissioners or the Assistant Secretary of the Township, respectively, are hereby authorized and directed to execute documents, or otherwise to act on behalf of the Township in their stead.

Section 19. Approval of Official Statement. The Official Statement or other disclosure document, if required by the Invitation to Bid, shall contain the final terms of the Bonds and shall be prepared and is approved for use by the Bond Purchasers in the public offering and the sale of the Bonds. Copies of the Official Statement shall be attached to this Ordinance and lodged with the official minutes of this meeting and are incorporated herein by reference.

Section 20. Further Action. The proper officers of the Township are hereby authorized and directed to take all such action, execute, deliver, file and/or record all such documents, publish all notices and otherwise comply with the provisions of this Ordinance and the Act in the name and on behalf of the Township.

Section 21. Act Applicable to Bonds. This Ordinance is adopted pursuant to, and the Bonds issued hereunder shall be subject to, the provisions of the Act and all the mandatory provisions thereof shall apply hereunder whether or not explicitly stated herein.

Section 22. Contract with Bond Owners. This Ordinance constitutes a contract with the registered owners of the Bonds outstanding hereunder and shall be enforceable in accordance with the provisions of the laws of the Commonwealth of Pennsylvania.

Section 23. Severability. In case any one or more of the provisions contained in this Ordinance or in any Bond shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Ordinance or of said Bonds, and this Ordinance or said Bonds shall be construed and enforced as if such invalid, illegal or unenforceable provisions had never been contained therein.

Section 24. Repealer. All ordinances and parts of ordinances heretofore adopted to the extent that the same are inconsistent herewith are hereby repealed.

Section 25. Effective Date. This Ordinance shall take effect on the earliest date permitted by the Act.

WHEREAS, the Township of Haverford finds it necessary to regulate the collection and disposal of Municipal Solid Waste (as defined hereinafter) generated within its boundaries in order to protect the public health, safety and welfare of its taxpayers and residents; and

WHEREAS, Act No. 180 of July 12, 1972, (53 P.S. paragraph 481 et. seq.) authorizes a municipality to enter into joint cooperation agreements with other municipalities in the exercise or in the performance of their respective governmental functions, powers or responsibilities; and

WHEREAS, the Pennsylvania Solid Waste Management Act of 1980, as amended, 35 P.S. paragraph 6018.101 et seq. (hereinafter "Act") authorizes a municipality to require by ordinance that all municipal wastes generated within its jurisdiction shall be disposed at a designated facility; and

WHEREAS, pursuant to the provisions of the Act, the Delaware County Council has caused to be prepared a County-wide Solid Waste Management Plan dated July 1985 (the "County Plan"), which recommends that for the foreseeable future, the solid waste from this Municipality be disposed of by means of regional facilities authorized by the County, the Delaware County Solid Waste Authority, and/or by the County or Authority's Contractor (County); and

WHEREAS, the County Plan concludes that a County-wide solid waste disposal system should include a resource recovery plant or plants located within the County, because it would be the most environmentally sound and cost-effective method of disposing of Municipal Solid Waste within the County; and

WHEREAS, in order to obtain the environmental, economic, and public benefits from the plant or plants as discussed in the County Plan, it is necessary that commitments be obtained from the local municipalities within the County as to the use of the plant or plants for the disposal of Municipal Solid Waste from such municipalities; and

WHEREAS, the Township of Haverford has full authority under the applicable laws to provide for the management of Municipal Solid Waste within its boundaries as hereinafter provided; and

SECTION 3. COUNTY/AUTHORITY OPERATIONS AND CHARGES. The Municipality has been advised by the County that the Solid Waste Plan proposes to provide for a plant or plants which will be operated efficiently and economically by the Contractor and/or by the County and in accordance with all applicable laws and regulations, and also that the Contractor and/or the County will impose reasonable charges, which will be uniform among all classes of users of the plant or plants.

SECTION 5. DISPOSAL AT DESIGNATED SITE. All Collectors shall deliver and dispose all Municipal Solid Waste collected within the Municipality at the Solid Waste Plant designated by the County subject to such reasonable regulations for the operation thereof as may be established by the County and/or Contractor. In addition to the remedies provided in Section 7. herein, any continued violation of this Ordinance or other applicable law which shall constitute a nuisance in fact, or which in the opinion of the governing body of this Municipality shall constitute a nuisance, may be abated by proceeding against the violator in a court of equity for relief.

SECTION 9. REGULATIONS. The collection of Municipal Solid Waste in the Municipality and the disposal thereof shall be subject to such further reasonable rules and regulations as may from time to time be promulgated by the governing body of the Municipality, including but without limitation, regulations as to the form of license application, the amount of fee to be charged for said license, and the terms of licenses and license issuance procedures; PROVIDED HOWEVER, that no such rules and regulations shall be contrary to the provisions of this Ordinance, the County Solid Waste Plan, or applicable law.

The Municipality reserves the right to amend this Ordinance or repeal it at any time; provided that the requirement for use of the designated Solid Waste Facility for disposal of Municipal Solid Waste from the Municipality shall not be amended or repealed without the prior express written approval of the County during the term of the contract between the County (or Authority) and Contractor providing for the construction and operation of the Plant which contract shall have a term of twenty-five (25) years. For the

purposes of securing the Contractor's financing, such requirement shall be deemed to be a contract between the County, the Contractor and the Municipality, which the Municipality agrees to enforce so that the Municipal Solid Waste from the Municipality will be available to provide a source of energy for the Plant. If the Municipality is not now a Collector but in the future it becomes a Collector it agrees to deliver all Municipal Solid Waste so collected to the Plant.

SECTION 11. JOINT COOPERATION AGREEMENT. In order to implement the intent and terms of this ordinance, there is attached hereto and made part of this Ordinance a Joint Cooperation Agreement between this Municipality and the County of Delaware, and the appropriate officers of this Municipality are hereby authorized and directed to execute said Agreement on behalf of this Municipality.

(BOND TEXT - BACK OF BOND)

This Bond is one of a duly authorized issue of General Obligation Bonds, Series of 1986, of the Township in the aggregate principal amount of \$650,000 issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof, all of like date and tenor, except as to dates of maturity, rates of interest and provisions for redemption and all issued in ac-

cordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, Act 52 of 1978 approved April 28, 1978, as amended (the Act), and pursuant to an Ordinance of the Board of Commissioners of the Township duly enacted on May 12, 1986 (the Ordinance). The Township will issue the Bonds in order to provide the funds needed to undertake a project consisting of the acquisition of new fire-fighting equipment and capital repairs to existing fire-fighting equipment.

The Act provides that this Bond, its transfer and the income therefrom, including any profits made on the sale thereof, shall at all times be free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but this exemption shall not extend to gift, estate, succession or inheritance taxes or to any other taxes not levied directly on this Bond, the transfer thereof, the income therefrom or the realization of profit on the sale thereof.

The Bonds maturing on and after June 15, 1990 shall be subject to redemption prior to maturity, at the option of the Township, as a whole on June 15, 1989 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on June 15, 1989 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

For the purpose of selection of Bonds for redemption, any Bond of a denomination greater than \$5,000 shall be treated as representing such number of separate Bonds, each of the denomination of \$5,000, as is obtained by dividing the actual principal amount of such Bond by \$5,000. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent, and the registered owner of such Bond shall receive, without service charge, a new Bond or Bonds, of any authorized denomination as requested by such registered owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

The Paying Agent shall give notice of any redemption by first-class mail, postage prepaid, mailed not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds to be redeemed at his registered address as it appears in the bond register. Such notice shall also be mailed to Credit Markets, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. Such Notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective princi-

pal amounts thereof to be redeemed), shall specify the redemption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the principal corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the Bonds. Failure to mail any notice or defect in the mailed notice or in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bond.

With respect to any optional redemption of the Bonds, if at the time of mailing such notice of redemption, the Township shall not have deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Bonds are transferable by the owners thereof, subject to payment of any required tax, fee or other governmental charge, upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent. The Paying Agent shall not be required: (i) to issue or transfer any Bond during a period beginning with the close of business on the Record Date next preceding any interest payment date and ending at the close of business on the interest payment date; (ii) to issue, transfer or exchange any of the Bonds during a period beginning at the close of business on the fifteenth (15th) day next preceding the day of selection of Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given; or (iii) to transfer or exchange any Bond selected for redemption in whole or in part.

The Township and the Paying Agent may treat the person in whose name this Bond is registered on the bond register maintained by the Paying Agent as the absolute owner of this Bond for all purposes and neither the Township nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based hereon, against any member, officer or employee, past, present or future,

of the Township or of any successor body, s such, either directly or through the Township or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers or employees is released as a condition of and as consideration for the execution and issuance of this Bond.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township, is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania; that the Township has established a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable; and that for the prompt and full payment of all obligations of this Bond, the full faith, credit and taxing power of the Township are hereby irrevocably pledged.

This Bond shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the Paying Agent, by execution of the certificate endorsed hereon.

Section 8. Terms of Bonds. The Bonds shall be issued  
in fully registered form, in denominations of \$5,000 or integral  
multiples thereof, shall be dated June 15, 1986, shall bear in-  
terest from such date payable semiannually on June 15 and  
December 15 of each year, beginning December 15, 1986, until  
maturity or the date fixed for redemption, at the annual rates  
and shall mature on June 15 of the years as set forth in the  
Amortization Schedule attached hereto as Schedule X.

The principal of the Bonds shall be payable upon pre-  
sentment and surrender thereof in lawful money of the United  
States of America at the principal corporate trust office of  
The Philadelphia National Bank, Philadelphia, Pennsylvania which

is hereby appointed paying agent and sinking fund depository (the "Paying Agent") for the Bonds. Interest on the Bonds will be paid on each Interest Payment Date by check or draft mailed to the persons in whose names the Bonds are registered at the address appearing thereon at the close of business on the last business day of the calendar month next preceding such Interest Payment Date.

Section 9. Redemption of Bonds. The Bonds maturing on and after June 15, 1990 shall be subject to redemption prior to maturity, at the option of the Township, as a whole on June 15, 1989 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on June 15, 1989 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

Any such redemption shall be upon not less than thirty (30) days nor more than sixty (60) days prior written notice sent by registered mail to the registered owners of the Bonds. Such notice shall also be mailed to Credit Markets, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. On the date designated for redemption, notice having been sent as aforesaid, and money for payment of the principal and accrued interest being held by the Paying Agent and Sinking Fund Depository, as paying agent, interest on the Bonds so called for redemption shall cease to accrue, the bonds so called for redemption shall cease to be entitled to any benefit or security under the Ordinance authorizing issuance of the Bonds, and the registered owners of the Bonds so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

Section 10. Private Sale of Bonds. The Bonds shall be sold at private sale by invitation as hereinafter set forth in Section 13.

Section 11. Creation of and Deposits in Sinking Fund. The Township covenants that it shall hereafter maintain a sinking fund (the "Sinking Fund") for the Bonds to be held by the Paying Agent (or such substitute or successor Paying Agent which shall hereafter be appointed in accordance with the provisions of the Act) in the name of the Township, but subject to withdrawal only by the Paying Agent.

The Township covenants and agrees to deposit in the Sinking Fund such amounts as at the time shall be sufficient to pay the principal of and interest on the Bonds as they become due.

Pending application to the purpose for which the Sinking Fund is established, the President of the Board of Commissioners or the Township Manager or the Director of Finance of the Township is hereby authorized and directed to cause the moneys therein to be invested or deposited and insured or secured as permitted and required by Section 1004 of the Act. All income received on such deposits or investments during each applicable period shall be added to the Sinking Fund and shall be credited against the deposit next required to be made in the Sinking Fund.

The Paying Agent is hereby authorized and directed to pay from the Sinking Fund the principal of and interest on the Bonds as the same become due and payable in accordance with the terms thereof and the Township hereby covenants that such moneys, to the extent required, will be applied to such purpose.

All moneys deposited in the Sinking Fund for the payment of the Bonds which have not been claimed by the registered owners thereof after two years from the date when payment is due, except where such moneys are held for the payment of outstanding checks, drafts or other instruments of the Paying Agent, shall be returned to the Township. Nothing contained herein shall relieve the Township of its liability to the registered owners of the unrepresented Bonds.

Section 12. No Taxes Assumed. The Township shall not assume the payment of any tax or taxes in consideration of the purchase of the Bonds.

Section 13. Award and Sale of Bonds. It is hereby determined that \_\_\_\_\_

(the "Bond Purchasers") is the highest responsible bidder for the Bonds, that is, the one who has complied with the official Invitation to Bid and offered to purchase the Bonds at the lowest net interest cost to the Township. The Bonds are hereby awarded and sold at invited private sale to the Bond Purchasers at a price and in accordance with the terms and conditions contained in the proposal of said firms presented at this meeting, which proposal is hereby accepted. A copy of said proposal shall be attached to this Resolution and lodged with the official minutes of this meeting and is hereby incorporated herein by reference. The Secretary of the Township is hereby authorized and directed to notify the Bond Purchasers of the acceptance of their bid and to return the good faith deposits of all unsuccessful bidders.

The proper officers of the Township are hereby authorized to invest or deposit at interest the good faith check of the Bond Purchasers. The proceeds of such check shall be credited against the purchase price payable by the Bond Purchasers at the time of delivery of the Bonds. All interest earned on the good

faith deposit shall be retained by the Township and deposited in its general fund or used otherwise as the Board of Commissioners shall determine.

Section 14. Contract with Paying Agent. The proper officers of the Township are authorized to contract with the Paying Agent in connection with the performance of duties as paying agent and sinking fund depository on usual and customary terms, including an agreement on the part of the Paying Agent to observe and comply with the provisions of this Ordinance and of the Act.

Section 15. No Arbitrage Covenant. The Township covenants with the owners of the Bonds that no part of the proceeds of the Bonds shall at any time be used directly or indirectly to acquire securities or obligations the acquisition of which would cause any of the Bonds to be "arbitrage bonds" as defined in Section 103(c) of the Internal Revenue Code of 1954, as amended and supplemented, or under any similar statutory provision or any rule or regulation promulgated thereunder with the effect that interest on the Bonds is no longer exempt from federal income taxes.

The Township covenants not to take or omit to take any other action so as to cause interest on the Bonds to be no longer exempt from federal income taxes.

The Township acknowledges that The Tax Reform Act of 1985, H.R. 3838, 99th Cong., 1st Sess., as passed by the United States House of Representatives on December 17, 1985 (the "Tax Reform Bill"), contains provisions with an effective date of January 1, 1986, which may affect the exemption of interest on the Bonds from federal income taxes. The Township covenants to comply with the applicable requirements of the Tax Reform Bill, unless in the opinion of Bond Counsel such compliance is not required in order to maintain the exemption of the interest on the Bonds from federal income taxes, or unless congressional action shall have taken place which is generally accepted by the municipal bond market as providing assurance that the effective dates, or the substantive requirements applicable to the Bonds, as set forth in the Tax Reform Bill, will be changed so that such requirements would no longer apply to the Bonds. The Township further covenants to comply, to the extent possible, with other legislation similar to the Tax Reform Bill which may be applicable to the Bonds.

Section 16. Execution and Authentication of Bonds. As provided in Section 4, the Bonds shall be executed by the President or the Vice President of the Board of Commissioners of the Township and the Secretary or Assistant Secretary of the Township and each such execution shall be by manual or facsimile signa-

ture. The Bonds shall be authenticated by the manual signature of an authorized officer of the Paying Agent, which shall also certify that the approving opinion of Bond Counsel, which shall be attached to each Bond, is an accurate reproduction of the approving opinion delivered at the closing for the Bonds.

Section 17. Application of Bond Proceeds. Upon receipt of the purchase price for the Bonds, including interest thereon accrued to the date of delivery, if any, the proper officers of the Township shall deposit the same in a separate bank account of the Township to be applied to pay the costs of the Project as provided in this Ordinance.

Section 18. Officers Authorized to Act. For the purpose of expediting the closing and the issuance and delivery of the Bonds, or in the event that the President of the Board of Commissioners or the Secretary of the Township shall be absent or otherwise unavailable for the purpose of executing documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Ordinance, the Vice President of the Board of Commissioners or the Assistant Secretary of the Township, respectively, are hereby authorized and directed to execute documents, or otherwise to act on behalf of the Township in their stead.

Section 19. Approval of Official Statement. The Official Statement or other disclosure document, if required by the Invitation to Bid, shall contain the final terms of the Bonds and shall be prepared and is approved for use by the Bond Purchasers in the public offering and the sale of the Bonds. Copies of the Official Statement shall be attached to this Ordinance and lodged with the official minutes of this meeting and are incorporated herein by reference.

Section 20. Further Action. The proper officers of the Township are hereby authorized and directed to take all such action, execute, deliver, file and/or record all such documents, publish all notices and otherwise comply with the provisions of this Ordinance and the Act in the name and on behalf of the Township.

Section 21. Act Applicable to Bonds. This Ordinance is adopted pursuant to, and the Bonds issued hereunder shall be subject to, the provisions of the Act and all the mandatory provisions thereof shall apply hereunder whether or not explicitly stated herein.

Section 22. Contract with Bond Owners. This Ordinance constitutes a contract with the registered owners of the Bonds outstanding hereunder and shall be enforceable in accordance with the provisions of the laws of the Commonwealth of Pennsylvania.

Section 23. Severability. In case any one or more of the provisions contained in this Ordinance or in any Bond shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Ordinance or of said Bonds, and this Ordinance or said Bonds shall be construed and enforced as if such invalid, illegal or unenforceable provisions had never been contained therein.

Section 24. Repealer. All ordinances and parts of ordinances heretofore adopted to the extent that the same are inconsistent herewith are hereby repealed.

Section 25. Effective Date. This Ordinance shall take effect on the earliest date permitted by the Act.

The Bonds maturing on and after June 15, 1990 are subject to redemption prior to maturity, at the option of the Township, as a whole on June 15, 1989 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on June 15, 1989 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

For the purpose of selection of Bonds for redemption, any Bond of a denomination greater than \$5,000 shall be treated as representing such number of separate Bonds, each of the denomination of \$5,000, as is obtained by dividing the actual principal amount of such Bond by \$5,000. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent, and the registered owner of such Bond shall receive, without service charge, a new Bond or Bonds, of any authorized denomination as requested by such registered owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

The Paying Agent shall give notice of any redemption by first-class mail, postage prepaid, mailed not less than thirty (30) days nor more than sixty (60) days prior to the redemption date to each registered owner of Bonds to be redeemed at his registered address as it appears in the bond register. Such notice shall also be mailed to The Bond Buyer, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. Such Notice shall be given in the name of the Township, shall identify the Bonds to be redeemed (and, in the case of a partial redemption of any Bonds, the respective principal amounts thereof to be redeemed), shall specify the re-

demption date and the redemption price, and shall state that on the redemption date the Bonds called for redemption will be payable at the principal corporate trust office of the Paying Agent and that from the date of redemption interest will cease to accrue. The Paying Agent shall use "CUSIP" numbers (if then generally in use) in notices of redemption as a convenience to Bond owners, provided that any such notice shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of redemption and that reliance may be placed only on the identification numbers prefixed "R-" printed on the Bonds. Failure to mail any notice or defect in the mailed notice or in the mailing thereof in respect of any Bond shall not affect the validity of the redemption of any other Bond.

With respect to any optional redemption of the Bonds, if at the time of mailing such notice of redemption, the Township shall not have deposited with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The Bonds are transferable by the owners thereof, subject to payment of any required tax, fee or other governmental charge, upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a duly executed instrument of transfer in form satisfactory to the Paying Agent. The Paying Agent shall not be required: (i) to issue, transfer or exchange any of the Bonds during a period beginning at the close of business on the fifth (5) day next preceding the day of selection of the Bonds to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given or (ii) to transfer or exchange any Bond selected for redemption in whole or in part.

The Township and the Paying Agent may treat the person in whose name this Bond is registered on the bond register maintained by the Paying Agent as the absolute owner of this Bond for all purposes and neither the Township nor the Paying Agent shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this Bond, or for any claim based thereon, against any member, officer or employee, past, present or future, of the Township or of any successor body, as such, either directly or through the Township or any such successor body, under any constitutional provision, statute or rule of law, or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, and all such liability of such members, officers

or employees is released as a condition of and as consideration for the execution and issuance of this Bond.

It is hereby certified that the approval of the Department of Community Affairs of the Commonwealth of Pennsylvania for the Township to issue and deliver this Bond has been duly given pursuant to the Act; that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this Bond or in the creation of the debt of which this Bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this Bond, together with all other indebtedness of the Township, is within every debt and other limit prescribed by the Constitution and the statutes of the Commonwealth of Pennsylvania; that the Township has established a sinking fund for the Bonds and shall deposit therein amounts sufficient to pay the principal of and interest on the Bonds as the same shall become due and payable; and that for the prompt and full payment of all obligations of this Bond, the full faith, credit and taxing power of the Township are hereby irrevocably pledged.

This Bond shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the Paying Agent, by execution of the certificate endorsed hereon.

multiples thereof, shall be dated July 15, 1986, shall bear in-  
terest from such date payable semiannually on June 15 and  
December 15 of each year, beginning December 15, 1986, until  
maturity or the date fixed for redemption, at the annual rates  
and shall mature on June 15 of the years as set forth in the  
Amortization Schedule attached hereto as Schedule X.

The principal of the Bonds shall be payable upon pre-  
sentment and surrender thereof in lawful money of the United  
States of America at the principal corporate trust office of

is hereby appointed paying agent and sinking fund depository (the "Paying Agent") for the Bonds. Interest on the Bonds will be paid on each Interest Payment Date by check or draft mailed to the persons in whose names the Bonds are registered at the address appearing thereon at the close of business on the last business day of the calendar month next preceding such Interest Payment Date.

Section 9. Redemption of Bonds. The Bonds maturing on and after June 15, 1990 shall be subject to redemption prior to maturity, at the option of the Township, as a whole on June 15, 1989 or on any date thereafter, or in part from time to time in inverse order of maturities and within a maturity by lot on June 15, 1989 or on any interest payment date thereafter, in either case upon payment of a redemption price of 100% of principal amount, together with accrued interest to the date fixed for redemption.

Any such redemption shall be upon not less than thirty (30) days nor more than sixty (60) days prior written notice sent by registered mail to the registered owners of the Bonds. Such notice shall also be mailed to Credit Markets, or if no longer published, to such substitute financial journal as shall be acceptable to the Paying Agent. On the date designated for redemption, notice having been sent as aforesaid, and money for payment of the principal and accrued interest being held by the Paying Agent and Sinking Fund Depository, as paying agent, interest on the Bonds so called for redemption shall cease to accrue, the bonds so called for redemption shall cease to be entitled to any benefit or security under the Ordinance authorizing issuance of the Bonds, and the registered owners of the Bonds so called for redemption shall have no rights with respect to such Bonds, except to receive payment of the principal of and accrued interest on such Bonds to the date fixed for redemption.

Section 10. Private Negotiated Sale of Bonds. After due consideration, the Board of Commissioners hereby finds and determines on the basis of all available information that a private negotiated sale of the Bonds is in the best financial interest of the Township. The Bonds shall be sold as hereinafter set forth in Section 13.

Section 11. Creation of and Deposits in Sinking Fund. The Township covenants that it shall hereafter maintain a sinking fund (the "Sinking Fund") for the Bonds to be held by the Paying Agent (or such substitute or successor Paying Agent which shall hereafter be appointed in accordance with the provisions of the Act) in the name of the Township, but subject to withdrawal only by the Paying Agent.

The Township covenants and agrees to deposit in the Sinking Fund such amounts as at the time shall be sufficient to pay the principal of and interest on the Bonds as they become due.

Pending application to the purpose for which the Sinking Fund is established, the President of the Board of Commissioners or the Township Manager or the Director of Finance of the Township is hereby authorized and directed to cause the moneys therein to be invested or deposited and insured or secured as permitted and required by Section 1004 of the Act. All income received on such deposits or investments during each applicable period shall be added to the Sinking Fund and shall be credited against the deposit next required to be made in the Sinking Fund.

The Paying Agent is hereby authorized and directed to pay from the Sinking Fund the principal of and interest on the Bonds as the same become due and payable in accordance with the terms thereof and the Township hereby covenants that such moneys, to the extent required, will be applied to such purpose.

All moneys deposited in the Sinking Fund for the payment of the Bonds which have not been claimed by the registered owners thereof after two years from the date when payment is due, except where such moneys are held for the payment of outstanding checks, drafts or other instruments of the Paying Agent, shall be returned to the Township. Nothing contained herein shall relieve the Township of its liability to the registered owners of the unrepresented Bonds.

Section 12. No Taxes Assumed. The Township shall not assume the payment of any tax or taxes in consideration of the purchase of the Bonds.

Section 13. Award and Sale of Bonds. The Bonds are hereby awarded and sold at a private sale by negotiation to Kidder, Peabody & Co. Incorporated, Philadelphia, Pennsylvania at a price of \$ 642,850.00 (98.9%) plus accrued interest, if any, from July 15, 1986 to the date of delivery and in accordance with the other terms and conditions set forth in the Bond Purchase Proposal of said firm which proposal is hereby approved and accepted. Copies of said proposal shall be attached to this Ordinance and lodged with the official minutes of this meeting. The proper officers of this Township hereby are authorized and directed to endorse the acceptance of this Township on said proposal and to deliver executed copies thereof to Kidder, Peabody & Co. Incorporated.

Section 14. Contract with Paying Agent. The proper officers of the Township are authorized to contract with the Paying Agent in connection with the performance of duties as

paying agent and sinking fund depositary on usual and customary terms, including an agreement on the part of the Paying Agent to observe and comply with the provisions of this Ordinance and of the Act.

Section 15. No Arbitrage Covenant. The Township covenants with the owners of the Bonds that no part of the proceeds of the Bonds shall at any time be used directly or indirectly to acquire securities or obligations the acquisition of which would cause any of the Bonds to be "arbitrage bonds" as defined in Section 103(c) of the Internal Revenue Code of 1954, as amended and supplemented, or under any similar statutory provision or any rule or regulation promulgated thereunder with the effect that interest on the Bonds is no longer exempt from federal income taxes.

The Township covenants not to take or omit to take any other action so as to cause interest on the Bonds to be no longer exempt from federal income taxes.

The Township acknowledges that The Tax Reform Act of 1985, H.R. 3838, 99th Cong., 1st Sess., as passed by the United States House of Representatives on December 17, 1985 (the "Tax Reform Bill"), contains provisions with an effective date of January 1, 1986, which may affect the exemption of interest on the Bonds from federal income taxes. The Township covenants to comply with the applicable requirements of the Tax Reform Bill, unless in the opinion of Bond Counsel such compliance is not required in order to maintain the exemption of the interest on the Bonds from federal income taxes, or unless congressional action shall have taken place which is generally accepted by the municipal bond market as providing assurance that the effective dates, or the substantive requirements applicable to the Bonds, as set forth in the Tax Reform Bill, will be changed so that such requirements would no longer apply to the Bonds. The Township further covenants to comply, to the extent possible, with other legislation similar to the Tax Reform Bill which may be applicable to the Bonds.

Section 16. Execution and Authentication of Bonds. As provided in Section 4, the Bonds shall be executed by the President or the Vice President of the Board of Commissioners of the Township and the Secretary or Assistant Secretary of the Township and each such execution shall be by manual or facsimile signature. The Bonds shall be authenticated by the manual signature of an authorized officer of the Paying Agent, which shall also certify that the approving opinion of Bond Counsel, which shall be attached to each Bond, is an accurate reproduction of the approving opinion delivered at the closing for the Bonds.

Section 17. Application of Bond Proceeds. Upon receipt of the purchase price for the Bonds, including interest thereon accrued to the date of delivery, if any, the proper officers of the Township shall deposit the same in a separate bank account of the Township to be applied to pay the costs of the Project as provided in this Ordinance.

Section 18. Officers Authorized to Act. For the purpose of expediting the closing and the issuance and delivery of the Bonds, or in the event that the President of the Board of Commissioners or the Secretary of the Township shall be absent or otherwise unavailable for the purpose of executing documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Ordinance, the Vice President of the Board of Commissioners or the Assistant Secretary of the Township, respectively, are hereby authorized and directed to execute documents, or otherwise to act on behalf of the Township in their stead.

Section 19. Approval of Official Statement. The Official Statement shall contain the final terms of the Bonds and shall be prepared and is approved for use by the Bond Purchasers in the public offering and the sale of the Bonds. Copies of the Official Statement shall be attached to this Ordinance and lodged with the official minutes of this meeting and are incorporated herein by reference.

Section 20. Further Action. The proper officers of the Township are hereby authorized and directed to take all such action, execute, deliver, file and/or record all such documents, publish all notices and otherwise comply with the provisions of this Ordinance and the Act in the name and on behalf of the Township.

Section 21. Act Applicable to Bonds. This Ordinance is adopted pursuant to, and the Bonds issued hereunder shall be subject to, the provisions of the Act and all the mandatory provisions thereof shall apply hereunder whether or not explicitly stated herein.

Section 22. Contract with Bond Owners. This Ordinance constitutes a contract with the registered owners of the Bonds outstanding hereunder and shall be enforceable in accordance with the provisions of the laws of the Commonwealth of Pennsylvania.

Section 23. Severability. In case any one or more of the provisions contained in this Ordinance or in any Bond shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Ordinance or of said Bonds, and this Ordinance or said Bonds shall be construed and

enforced as if such invalid, illegal or unenforceable provisions had never been contained therein.

Section 24. Repealer. <sup>enacted</sup> All ordinances and parts of ordinances heretofore ~~adopted~~ to the extent that the same are inconsistent herewith are hereby repealed, including Ordinance No. 1958 enacted May 12, 1986.

Section 25. Effective Date. This Ordinance shall take effect on the earliest date permitted by the Act.

#### Exempt Parties

their instrumentalities, agencies or political subdivisions shall be exempt from payment of the tax imposed by this Ordinance. The exemption of such governmental bodies shall not, however, relieve any other party to a transaction from liability for the tax.

.05

Excluded Transactions

The tax imposed by this Ordinance shall not be imposed upon the following transactions:

(a) A transfer to the Commonwealth or to any of its instrumentalities, agencies, or political subdivisions by gift, dedication or deed in lieu of condemnation or deed of confirmation in connection with condemnation proceedings, or a reconveyance by the condemning body of the property condemned to the owner of record at the time of condemnation, which reconveyance may include property line adjustments provided said reconveyance is made within one year from the date of condemnation.

(2) the agency or authority has the full ownership interest in the real estate transferred.

(p) A transfer by a mortgager to the holder of a bona fide mortgage in default in lieu of a foreclosure or a transfer pursuant to a judicial sale in which the successful bidder is the bona fide holder of a mortgage, unless the holder assigns the bid to another person.

given under this section, the difference shall be paid. If the credit allowed is greater than the amount of tax due, no refund or carry over credit shall be allowed.

The tax herein imposed shall be fully paid, and have priority out of the proceeds of any judicial sale of real estate before any other obligation, claim, lien, judgment, estate or cost of the sale and of the writ upon which the sale is made, and the sheriff or other officer conducting such sale shall pay the tax herein imposed out of the first monies paid to him in connection therewith. If the proceeds of the sale are insufficient to pay the entire tax herein imposed, the purchaser shall be liable for the remaining tax.

.09 Real Estate or Interest Therein Partially Located in the Township

Where real estate or an interest in real estate lying partly within the boundaries of Haverford Township and partly without said boundaries is transferred, the tax herein imposed shall be calculated upon such portion of the real estate or interest therein lying within the boundaries of the Township as determined by the Realty Transfer Tax Statement of Value filed with the Recorder of Deeds, or if no such filing is required, by affidavit of the transferor, or as separately stated in the document of transfer; provided, however, such value shall in no event be less than the highest assessed valuation for local tax purposes placed upon the real estate or the interest in the real estate in the assessment of the property within the Township.

The provisions of this section shall not apply to any excludable real estate transfers which are exempt from taxation based on family relationship.

.11
