Township Manager Update

Exciting News: A New, Unified Newsletter for All Things Haverford Township!

Haverford Township is pleased to announce an exciting change designed to make it even easier for residents to stay connected and informed. Beginning this fall, we are combining the Township's Official Newsletter and the HavaGood Times—our popular Parks & Recreation publication—into a single, all-inclusive newsletter.

This new, unified format means you'll now find everything you need to know about Haverford Township in one convenient place. Whether you're looking for updates on public works, community events, recreation programs, sustainability initiatives, public safety news, or important deadlines—our consolidated newsletter has you covered. We've kept the friendly and familiar layout you've come to expect, so the newsletter is still easy to read and fun to explore.

Beyond making information easier to access, this change will also help the Township operate more efficiently. By combining the two publications, we reduce printing and mailing costs—allowing us to reallocate resources where they matter most, all while reducing waste.

As always, current information is still available at your fingertips:

- Visit the Township website: www.havtwp.org
- Follow us on social media: Facebook, Instagram, and Twitter/X
- Watch programming on the Township cable channels

And don't forget—you can also subscribe to our digital communication channels to receive timely updates straight to your inbox or mobile device:

- Subscribe to the Township Newsletter for event and program updates
- Sign Up for Haverford Alerts to get real-time emergency alerts from the Haverford Township Police Department
- Register for DelcoAlerts for county-wide alerts in critical situations

Thank you for reading, subscribing, and staying involved. We're excited about this next step in making local government more accessible, transparent, and connected.

Assistant Director

With heavy hearts, we share the passing of our dear friend and colleague, Melissa Rhodes, who bravely faced a three year battle with cancer. A member of our team for over a decade, she brought wit, strength, and an unshakable spirit to everything she did. Never one to complain, even in the toughest times, Melissa remained a source of inspiration and resilience to us all. She will be deeply missed and forever remembered.

Top 5 Reasons to hold your event at the CREC:

5. Organic setting and beautiful building and easy access from I-476 and neighboring townships!
4. Friendly supportive, staff members—We set up the included tables and chairs for you!
3. Vendors and caterers are YOUR choice—no exclusive vendors!
2. Affordable spaces for hosting many types of events... Bridal and baby showers, birthday parties for children or adults, corporate events, business workshops and seminars, vendor fairs and more!
- And the number 1 reason...*
 1. You don't have to clean your house, rent tents for your backyard, landscape, or worry about inclement weather!

Trail News

Join Parks & Rec Director Brian Barrett For A Scenic "Walk & Talk" Along The Darby Creek Trail Saturday, October 18 (11am)

We'll begin at the edge of our township - Jack McDonald Field (plenty of parking) - and stroll along a first-class, multi-use macadam trail that winds past ballfields and part of Darby Creek. We will transition to a dirt path - our next exciting trail improvement project - continue on to Merry Place, and then all the way to the school bus yard.

At the turnaround point, we'll celebrate with a group high five before heading back. The round trip is approximately 3 miles.

Be sure to wear comfortable, appropriate shoes.

Trail Running Film & Community Talk Thursday, September 25 (6:30pm)

Love the outdoors? Inspired by stories of grit, beauty, and wild places? Got a thing for chasing miles?

We're screening a **stunning trail running film** that captures the heart and soul of running through mountains, forests, and open skies. Whether you're a seasoned ultra runner or just curious about the sport, this film will leave you inspired.

Special Guest Speakers: Hear directly from local and regional trail runners as they share stories, challenges, and what keeps them coming back to the trails. Fee: \$20

Adopt a Park & Trail Recognition

Join us at the October Board of Commissioners meeting as we recognize and thank the dedicated volunteer groups who have formally adopted a park or trail. Their commitment helps keep our green spaces vibrant and welcoming.

You Make The Difference

"Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in." Join us!

Haverford Township's volunteers have been at the heart of a year of environmental action. From our weekly Tuesday Work Days to our after-school plantings and large-scale weekend community events, volunteers have helped plant hundreds of native trees, restore vital riparian buffers, and remove invasive species across our parks and natural areas. Our growing network of Adopt-a-Park/Trail groups has stepped up in a big way, taking ownership of trails and parks - clearing brush, removing litter, and keeping our pathways safe, clean and inviting for everyone. These efforts have improved local ecosystems, strengthened our green infrastructure, and inspired a deeper connection between residents and the natural world. Whether it's showing up with pruners on a Tuesday or caring for a favorite park or trail month after month, our volunteers are building a greener Haverford, one project at a time.

Park Improvements

Brookline Park Update

Work continues on the development of Brookline Park. By fall the township will have completed the grading and storm water work on the site. The next step will be the installation of the play equipment, basketball court and rain garden. We expect all this work will be completed by late this year or early 2026.

The next phase of the project will include parking improvements along Sagamore, new sidewalks along Earlington and Sagamore, perimeter fencing and tree planting. This work will begin in early 2026. The Brookline Park master plan can be viewed on the Township website at www.havtwp.org.

New playground equipment for Brookline Park coming in the Fall.

Hilltop Basketball Court

Darby Creek Trail

An extension of the Darby Creek Trail was finished this spring.

The new section runs through Merry Place. The final piece of the Trail is scheduled for completion in 2026.

Additional Info

Haverford Township is led by nine Township Commissioners who are elected by ward residents.

Commissioners elect their own President and Vice President at the beginning of each new year. The Commissioners appoint a Township Manager who oversees daily operations and a sizable staff.

Regular meetings of the Board of Commissioners are held the 2nd Monday of each month at 7:00 p.m. The Commissioners frequently communicate with their constituents through emails and social media. Please contact them directly to receive their communications as well as up to date information about your ward.

Meetings are broadcast live on the Township Cable Network (channel 38 on Verizon and channel 5 on Comcast) and replay everyday at 9:00 a.m. and 7:00 p.m.

To access links to all broadcast meetings, visit the more button at the bottom of the home page of the Township website.

***Please note: We do not live stream to social media. You can access these meetings on YouTube usually the day after the meetings take place.*

Public Works

Managing Fall Leaves and Winter Snow: Keeping Our Community Safe

As autumn transforms our landscape with vibrant shades of red, orange, and gold, falling leaves create a picturesque scene. However, these leaves also pose certain challenges for residents and local authorities. While they add beauty to our surroundings, they can make roads and walkways slippery, increasing the risk of accidents.

To ensure safety during this season, proper leaf management is essential. In our township, residents are encouraged to rake leaves in bulk and place them at the curb during designated leaf collection periods. Outside of these times, leaves should be bagged and collected according to the Public Works Department's rules and regulations. This organized approach helps keep our streets clear and prevents leaves from clogging storm drains, which could lead to flooding.

As we transition from fall to winter, the focus shifts to snow and ice removal. During winter storms, it's crucial to keep sidewalks safe and accessible for pedestrians. According to Code 138-3, property owners or occupants are responsible for removing snow from the sidewalks in front of their premises within 24 hours of a snowfall. Additionally, sidewalks should always be kept free of snow, slush, and ice to ensure safe passage for everyone.

- ATTENTION -

RENTAL PROPERTY OWNERS

This is a reminder that owning and operating a rental property is considered a business activity for purposes of the Township Business Privilege Tax Ordinance.

In addition to the licensing requirements of our Codes Department, all property owners must acquire a business license and file annual business privilege tax returns. Rental receipts are subject to the Township's Business Privilege Tax and all questions should be directed to the Township's Business Tax Administrator as follows:

Library Renovation Complete: A New Chapter for Our Community

We're excited to announce that the library's renovation project is now finished, offering an expanded and modernized space for all visitors.

Our upgraded facility features a stunning multi-story entrance and a new elevator, ensuring easy access to all three floors—including after-hours entry to the new Community Room.

The second-floor addition increases public space by over 25%, creating more room for learning and connection. A cozy Living Room with a fireplace now provides a welcoming spot for quiet reading and relaxation, a favorite request among our senior patrons.

Children, tweens, and teens each have dedicated areas to gather comfortably without overlapping, fostering a vibrant environment for all ages. Our new Meeting Rooms and Study Rooms are equipped with technology, supporting community events and small group collaborations.

The versatile Makerspace encourages hands-on projects and innovative programming for everyone.

Public computer access has been significantly expanded, with dedicated tech zones, laptop bars, charging outlets, and improved Wi-Fi coverage to keep everyone connected.

The entire building infrastructure has been upgraded with new systems, ensuring a more efficient and enjoyable experience. Plus, a new parking lot across the street nearly doubles our parking capacity, complemented by EV charging stations available to library patrons.

Come explore the new library—your community hub for learning, creativity, and connection!

Join us for our annual Dewey Decimal Dash 5K & Fun Run on Saturday, November 1st at 8:00 am. Individuals, teams, families and pets are welcome! For details and registration see our website at www.haverfordlibrary.org.

Fire Prevention

OCTOBER 5–11, 2025

Fire Prevention Week 2025 Focuses on Lithium-Ion Battery Safety

The National Fire Protection Association (NFPA) has announced October 5–11, 2025, as Fire Prevention Week, with the theme “Charge into Fire Safety™: Lithium-Ion Batteries in Your Home.” This year’s focus is on educating the public about safe handling, charging, and disposal of lithium-ion batteries, which power many household devices.

Lithium-ion batteries are found in smartphones, tablets, laptops, e-cigarettes, and more. When damaged or mishandled, they can overheat, catch fire, or explode. NFPA emphasizes three key safety tips:

- Buy only certified products with safety testing labels.
- Charge devices properly using manufacturer-approved chargers and on hard surfaces.
- Recycle batteries responsibly at designated recycling centers; do not throw them in trash or regular recycling bins.

For more information, visit www.fpw.org and learn how to stay safe with lithium-ion batteries during Fire Prevention Week. This longstanding observance aims to raise awareness about fire safety and prevention in communities across North America.

Partnering for Better Senior Dental Care

Dental health is essential for older adults, but many seniors forgo regular care because Medicare doesn't cover dental services, leading to increased health risks.

Since 2016, Surrey has partnered with CVIM to provide free dental services at its Devon location, helping low-income seniors without insurance. In 2024, this partnership expanded with a new clinic at Surrey’s Delaware County Center for Healthy Living in Broomall. “This allows us to better serve our community by offering regular dental care,” says Surrey President Jill Whitcomb.

Funded by the Pennsylvania Department of Health and a grant from the Foxwynd Foundation, the clinic operates three days a week, providing cleanings, exams, X-rays, and fillings. Gina Farrell, CVIM’s Dental Outreach Coordinator, manages the Broomall clinic and enjoys working with seniors, many of whom express gratitude and schedule return visits.

For more info, call Surrey at 484-451-8899 or email info@surreyservices.org.

Police Department News...

OFFICER OF THE YEAR & DEPARTMENT RECOGNITIONS

Congratulations to Officer Ryan Maguire, recently named Officer of the Year. With nine years of service, Officer Maguire is part of the Honor Guard, bike patrol, and often fills in as Officer in Charge. He is also a Field Training Officer and the department's first aid instructor. Recognized for his dependability and reliability, he is highly valued by supervisors.

Additionally, 24 other department members received commendations for their work on various incidents, from maternity cases to foot pursuits and car theft apprehensions.

RETIREMENT

After 12 years of dedicated service, Animal Control Officer Owen

O'Connell has retired. We thank him for his commitment and wish him a relaxing, well-earned retirement with his family.

Please join us in welcoming the new Animal Control Officer, Christopher Marley, who brings many years of wildlife handling experience.

Officer Marley will be out and about, maintaining the high level of service that Officer O'Connell provided.

Following Paul Miller Jr.'s tragic death in Monroe County PA, a new law makes using any handheld interactive mobile device a primary offense. This includes cell phones, tablets, and laptops.

The law bans:

- Holding or supporting a device with any hand or body part
- Dialing or answering with more than one button press
- Reaching for a device while seated and belted in

Effective June 5th, it's illegal to use your device while driving, even at red lights. Until June 5, 2026, officers will issue warnings; afterward, violations incur a \$50 fine plus court costs.

Exceptions apply for contacting law enforcement or emergency services or if you move your vehicle safely to the roadside and are stationary.

Figure Skaters Unite!!

Crossroads Figure Skating Club (CFSC) is a member-based club organized under the umbrella of Haverford Township and sanctioned by USFS as Club #1107. The club provides a welcoming environment for athletes looking to be part of a supportive club to build their figure skating talents and/or move forward into competitive figure skating.

As a member of CFSC, you are part of a team of athletes and coaches that all join in seeing you succeed to the best of your ability.

Membership offers:

- paid membership in US Figure Skating
- ability to test or compete under the name of Crossroads FSC
- no capital contribution or mandatory volunteer hours
- access to exclusive ice times
- reduced rates for freestyle ice sessions and specialty clinics
- highlighting your talent at two seasonal shows - HollyBerry in December and SpringFling in April
- option of joining Team Unity, our Aspire level synchronized skating team
- and most importantly, the camaraderie of fellow members who want you to succeed, reach your goals and have fun!

For more information, stop by the Skating Office inside the Skatium or visit www.havtwp.com and click on Skatium. Club membership is processed through the EntryEeze system link.

Skatium Locker Room Upgrades Completed

In 2023, funding was secured through borrowed monies, the ARPA grant, and the CDBG grant to support major upgrades to the Skatium locker rooms.

Construction began in early spring and was completed this summer. The renovations now feature four hockey locker rooms, a dedicated figure skating locker room, and three multi-use changing rooms for all athletes. These improvements provide modern amenities and will enhance the experience for skaters and hockey players, supporting the community's vibrant sports programs.

Did you know?

The Skatium hosts several Learn to Skate sessions from September through May! This is the highly successful USFS program that has been introducing the sport to children (and adults) for decades for that initial skill building for ice hockey or figure skating.

There are 5 sessions to choose from so stop by the Skating Office inside the Skatium or visit www.havtwp.com and click on the DASH link for registration, dates and times.

Collaborative Efforts with the Shade Tree Commission

Trees do so much more than line our streets—they cool our neighborhoods, clean our air, manage our stormwater, and create vital habitats for birds and wildlife. As the Shade Tree Commission (STC), we're proud to help preserve and grow Haverford Township's tree canopy, one tree at a time.

The work doesn't stop there though. We highly encourage residents to preserve and maintain their healthy, shade-bearing trees. However, we also recognize that the removal of diseased, dying, or dead trees is important to maintaining a safe and resilient canopy. Therefore, we strongly support replanting efforts - on your property, along the street, or in our many parks and open spaces.

Looking ahead, our Fall Tree Lottery is tentatively scheduled for late October 2025. Keep an eye on the Township website for details - and don't miss your chance to be part of Haverford's greener future!

One Resident's Solar Story

"We installed solar panels on our Haverford Township home in 2013 to generate our own electricity. Connected to the grid, we use excess power when available and draw from the grid when needed. No maintenance has been needed in 12 years."

If you're interested in producing your own free electricity, contact a local installer or Solarize Delco.

Protect Your Home:

Don't Let Sewer Backups Drain Your Wallet!

Sewer backups and flooding can cause devastating property damage and are typically not covered by standard homeowners' insurance policies. The majority of these claims are the responsibility of the property owner except under limited/special circumstances provided by the PA Municipal Immunity laws. Township residents should review their homeowner's flood and sewer backup insurance coverage with their agent/ insurance companies in order to properly protect their personal residence which is the most valuable tangible asset that we all have.

Article I, Section 149-3, subsection C (2) Sewer Service Regulations of the Township Code states that all sewer service laterals connected to the Township system, regardless of location, are the property of the customer and/or owner and shall be maintained in good condition and repair.

The Township does not provide flood insurance. Check with your insurance professional about added coverages such as:

- Coverage for Sewers, Drains and Sump Pumps
- Flood Coverage

Fair Housing

Fair housing is the right to choose housing free from discrimination. Federal law protects people in housing transactions such as rentals, sales, lending, and insurance. It is the key to all people having the roof they want over their heads.

Who is Protected?

The Fair Housing laws protect discrimination on the basis of age, race, religion, ethnicity, national origin, gender/ sexual orientation, disability or familial status. These are known as Protected Classes.

What is Prohibited?

In the sale and rental of housing, it is illegal to take any of the following actions based on a protected class:

- Refuse to rent or sell housing,
- Make housing unavailable,
- Set different terms or conditions,
- Falsely deny that housing is available.

In mortgage lending, no one may take any of the following actions based on a protected class:

- Refuse to make a mortgage due to your protected class status,
- Set different terms and conditions,
- Discriminate in appraising a property.

If you believe you have experienced discrimination, CALL HUD!
